PEXESO „Co je špatně na obrázku“

Milé děti,

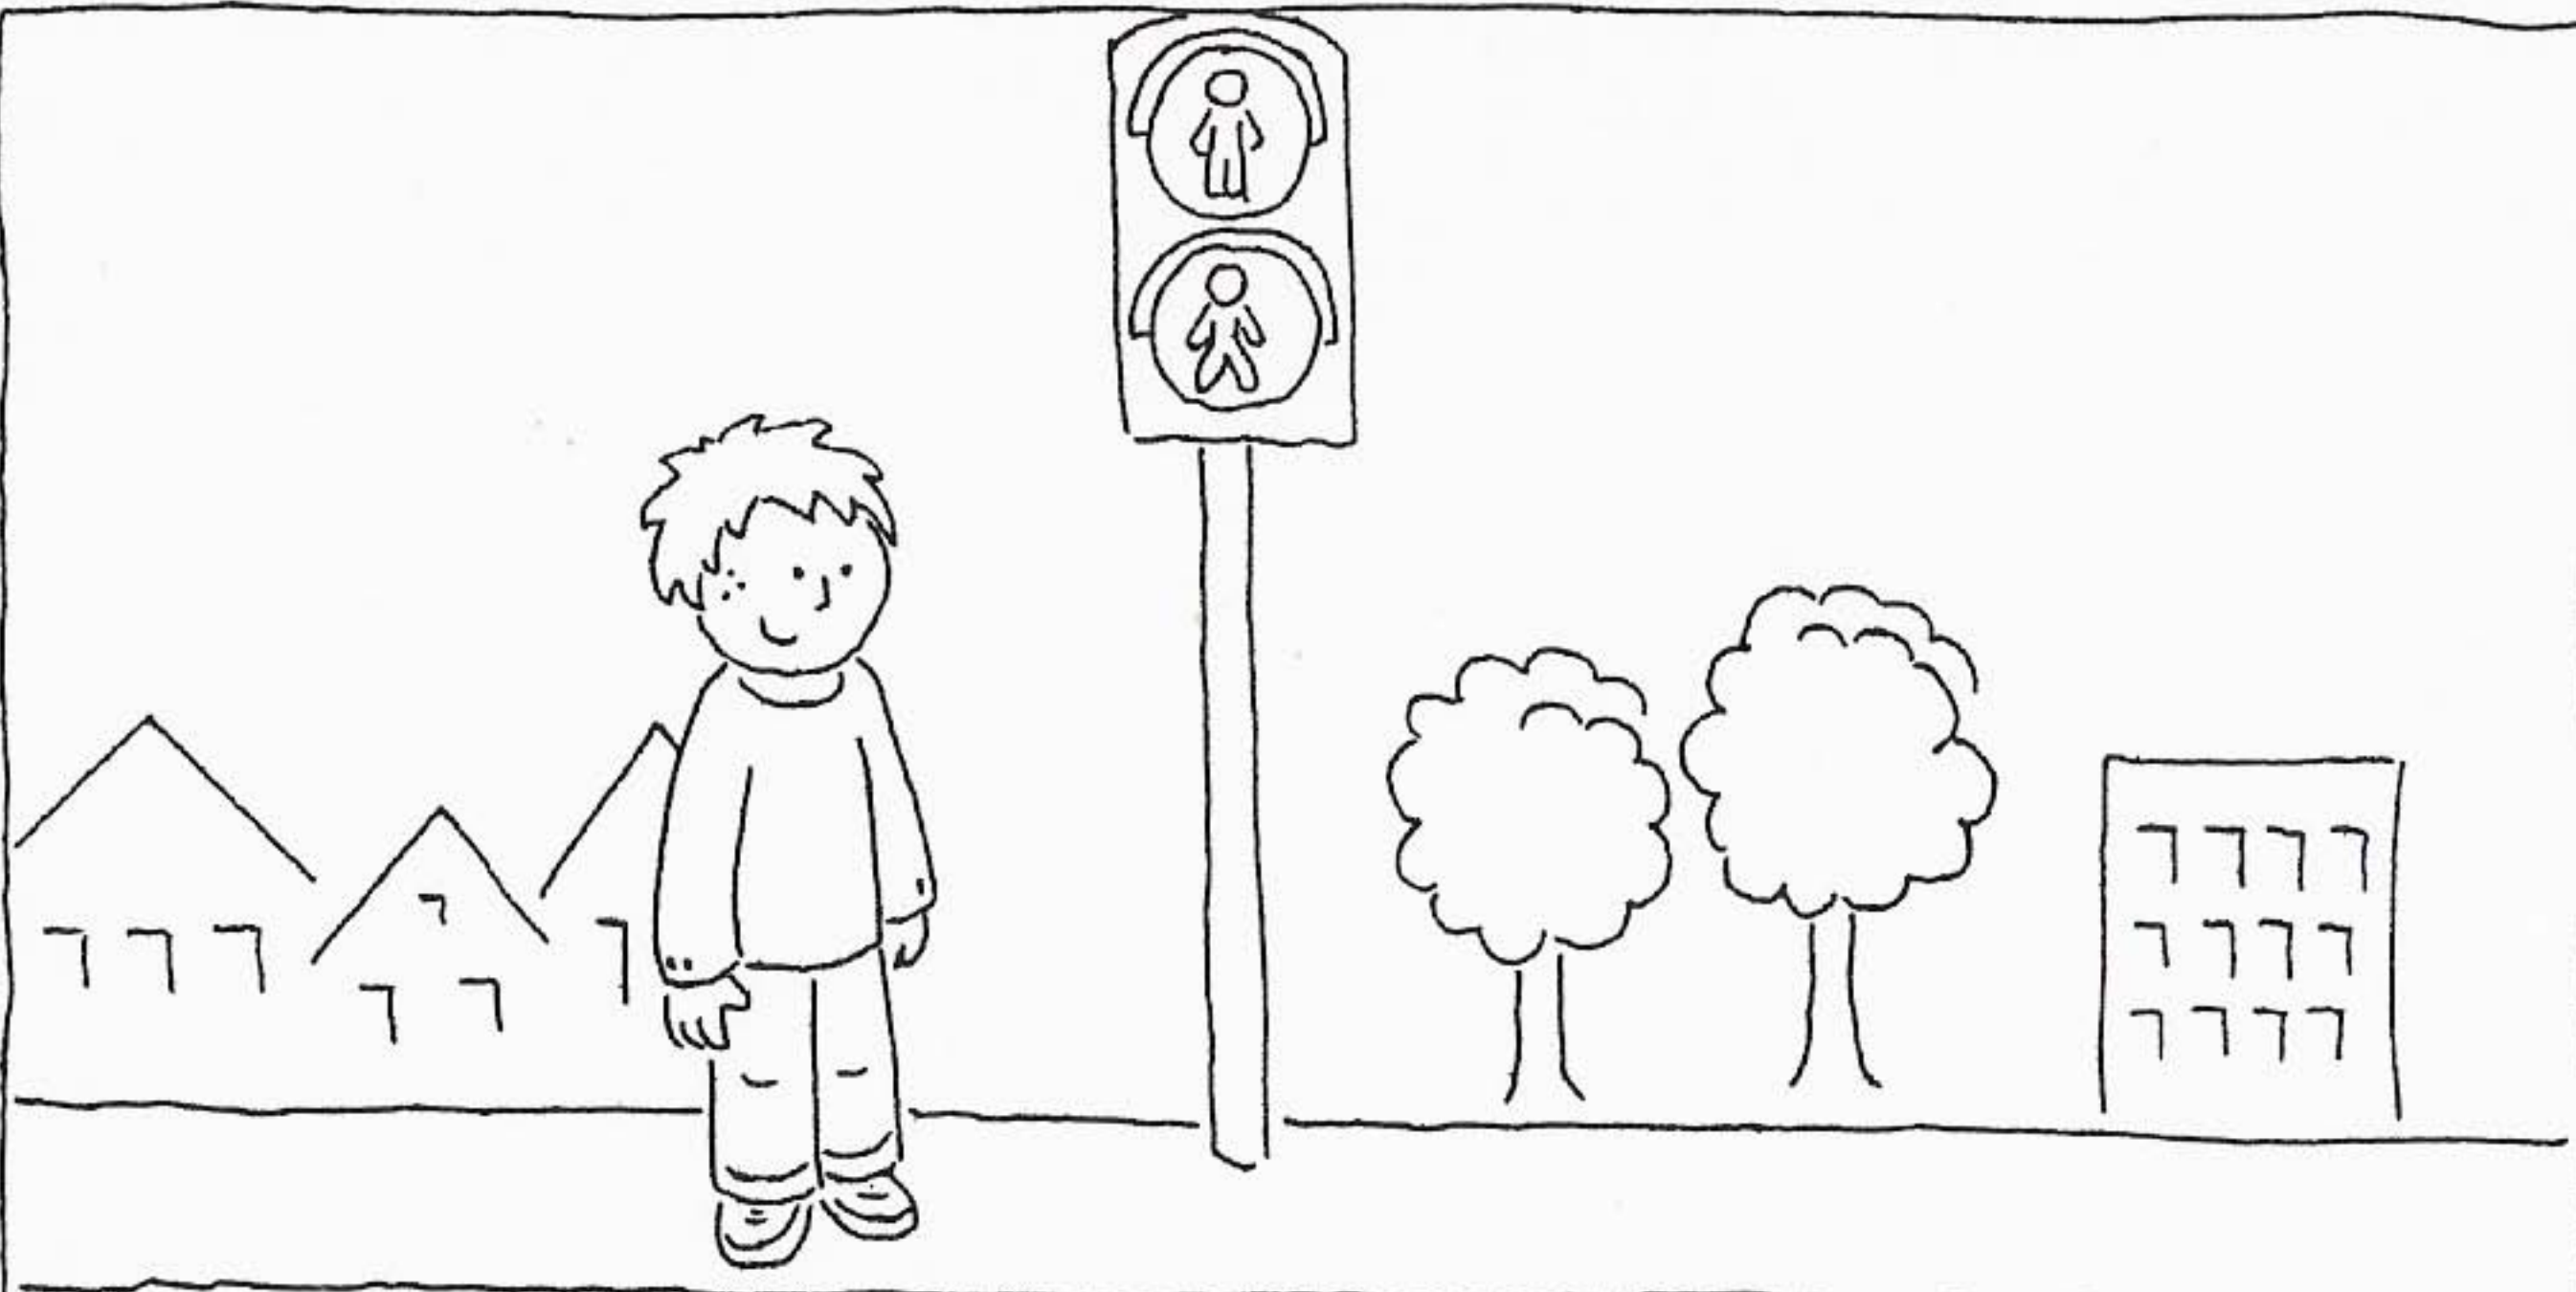

Dostává se k vám hra Pexeso „Co je špatně na obrázku“, která má za úkol, ukázat vám chování špatné i správné v dopravním prostředí. Každý pár se skládá ze dvou obrázků – jeden ukazuje správné chování ☺ a druhý chování špatné, či dokonce rizikové vedoucí k úrazu ☹ !
Obrázky jsou černobílé, takže vám umožní si Edu s Anežkou domalovat či dokreslit podle vlastní představy. Tak teď uchopte kreslicí potřeby a hodně zábavy!

Počet hracích párů – 32

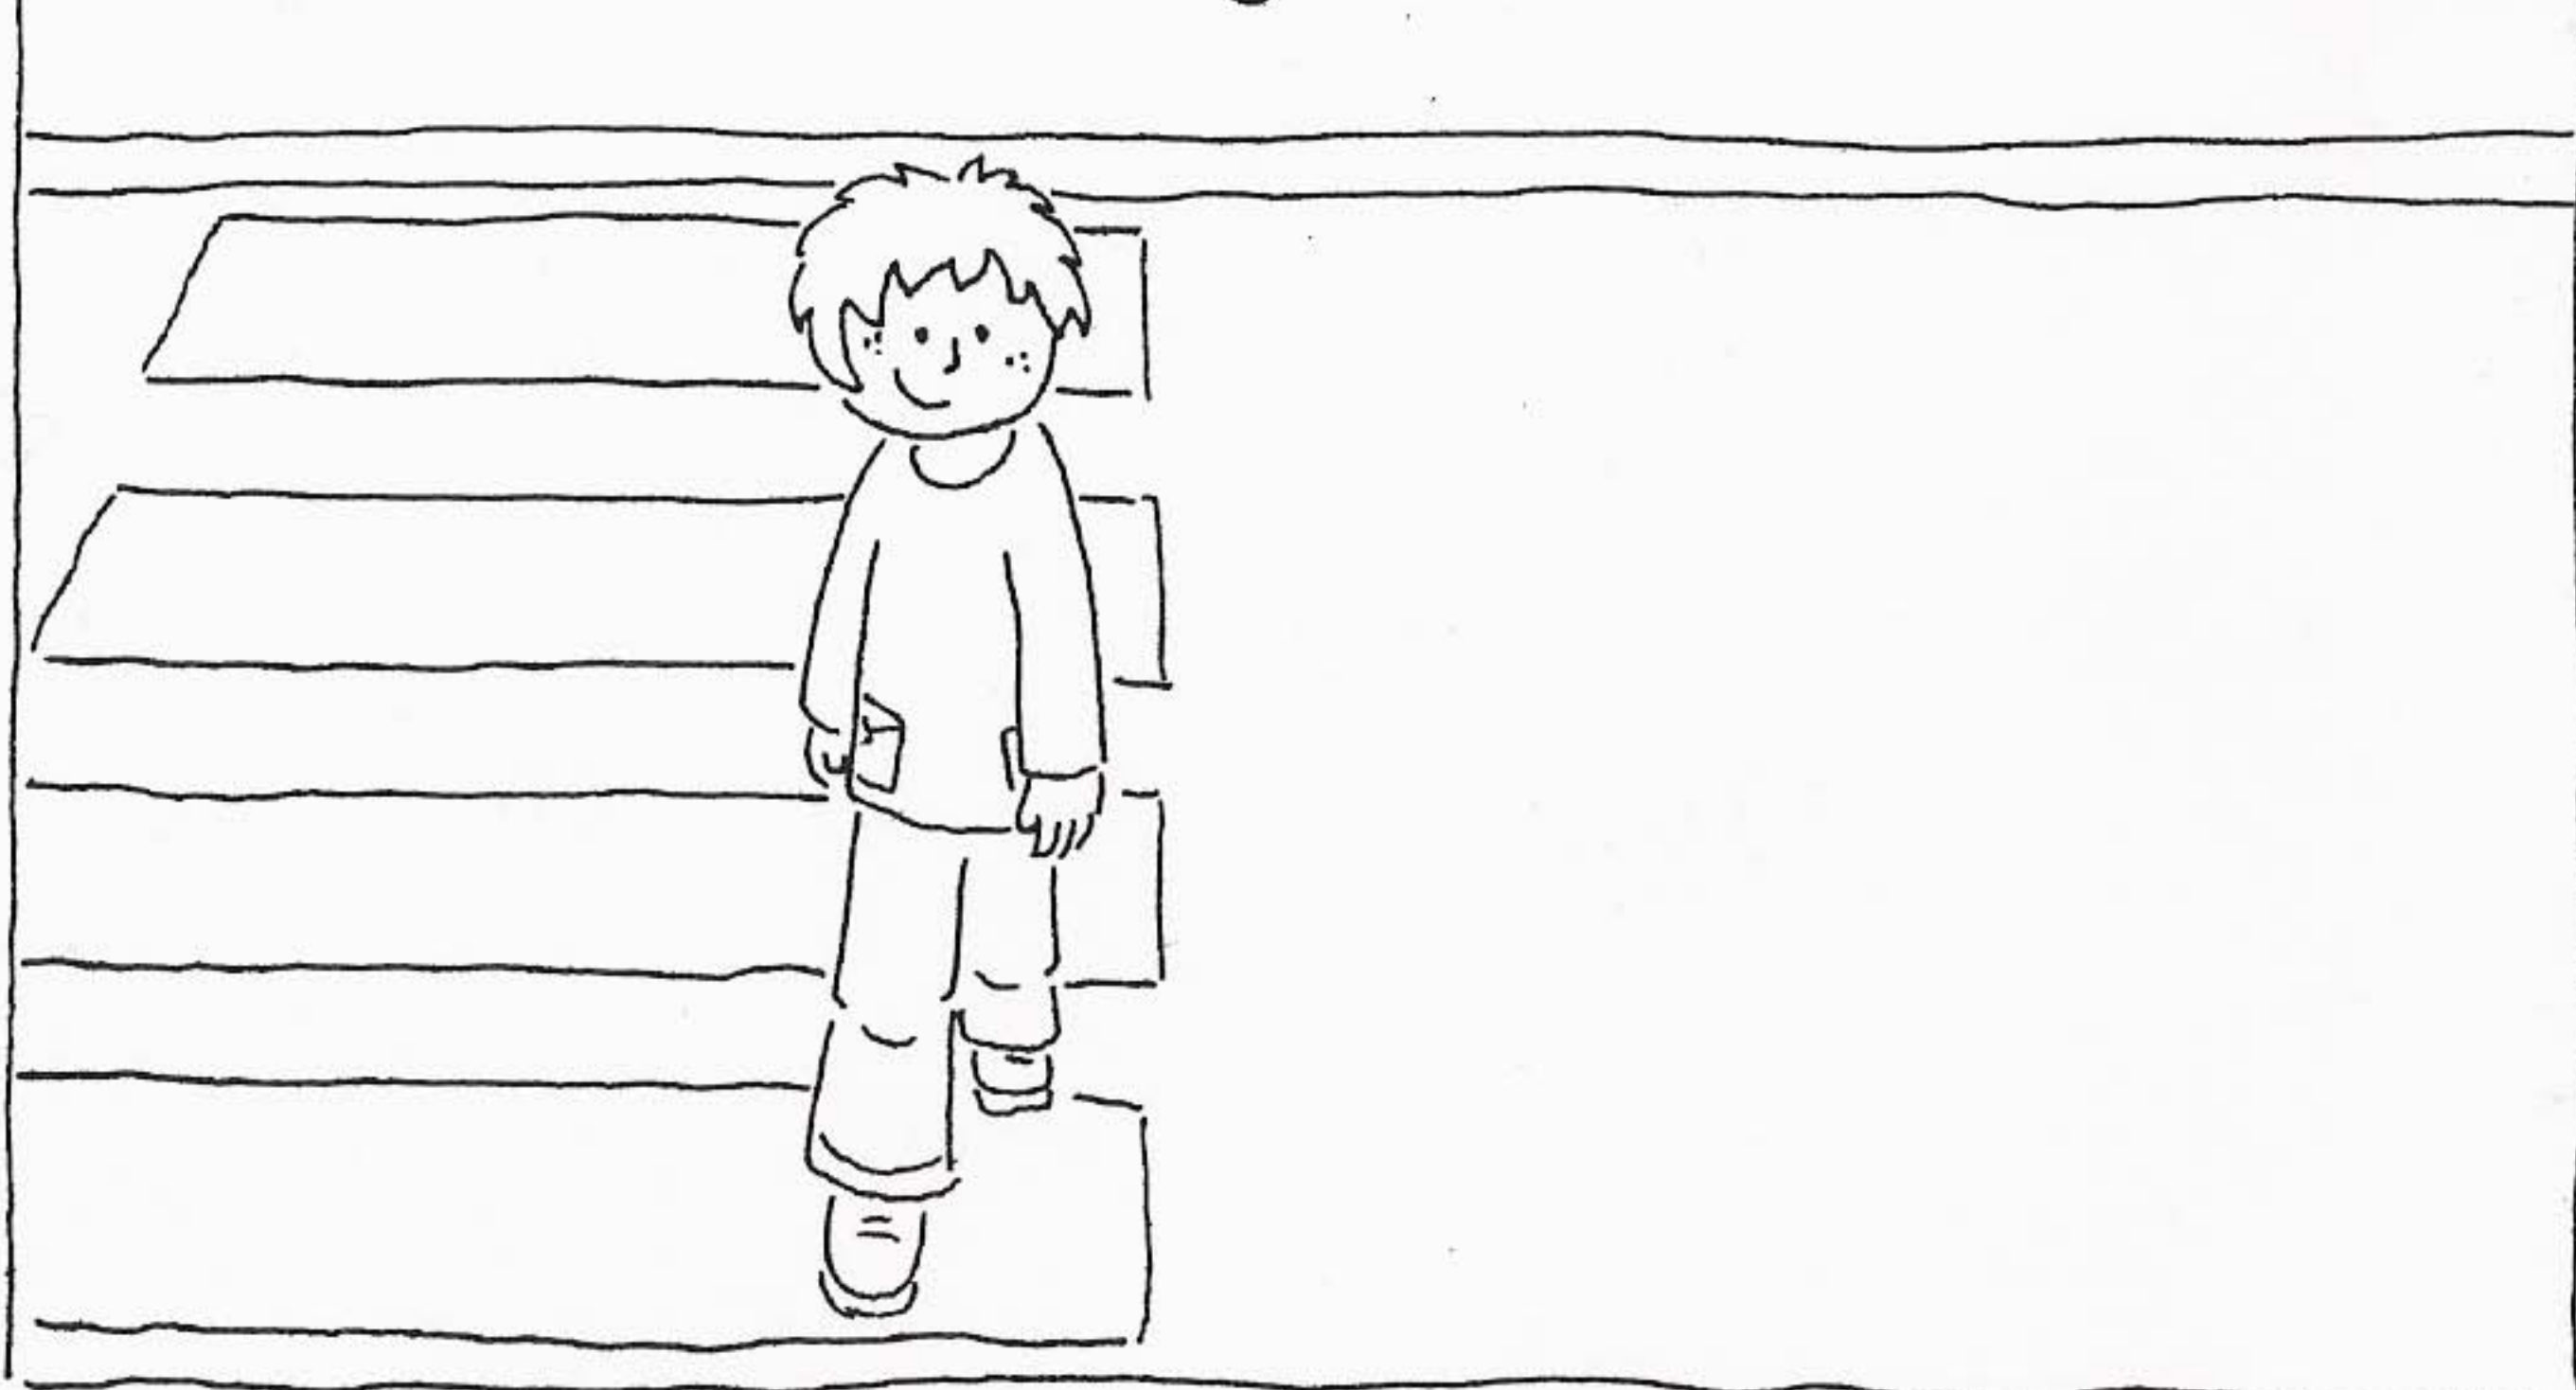

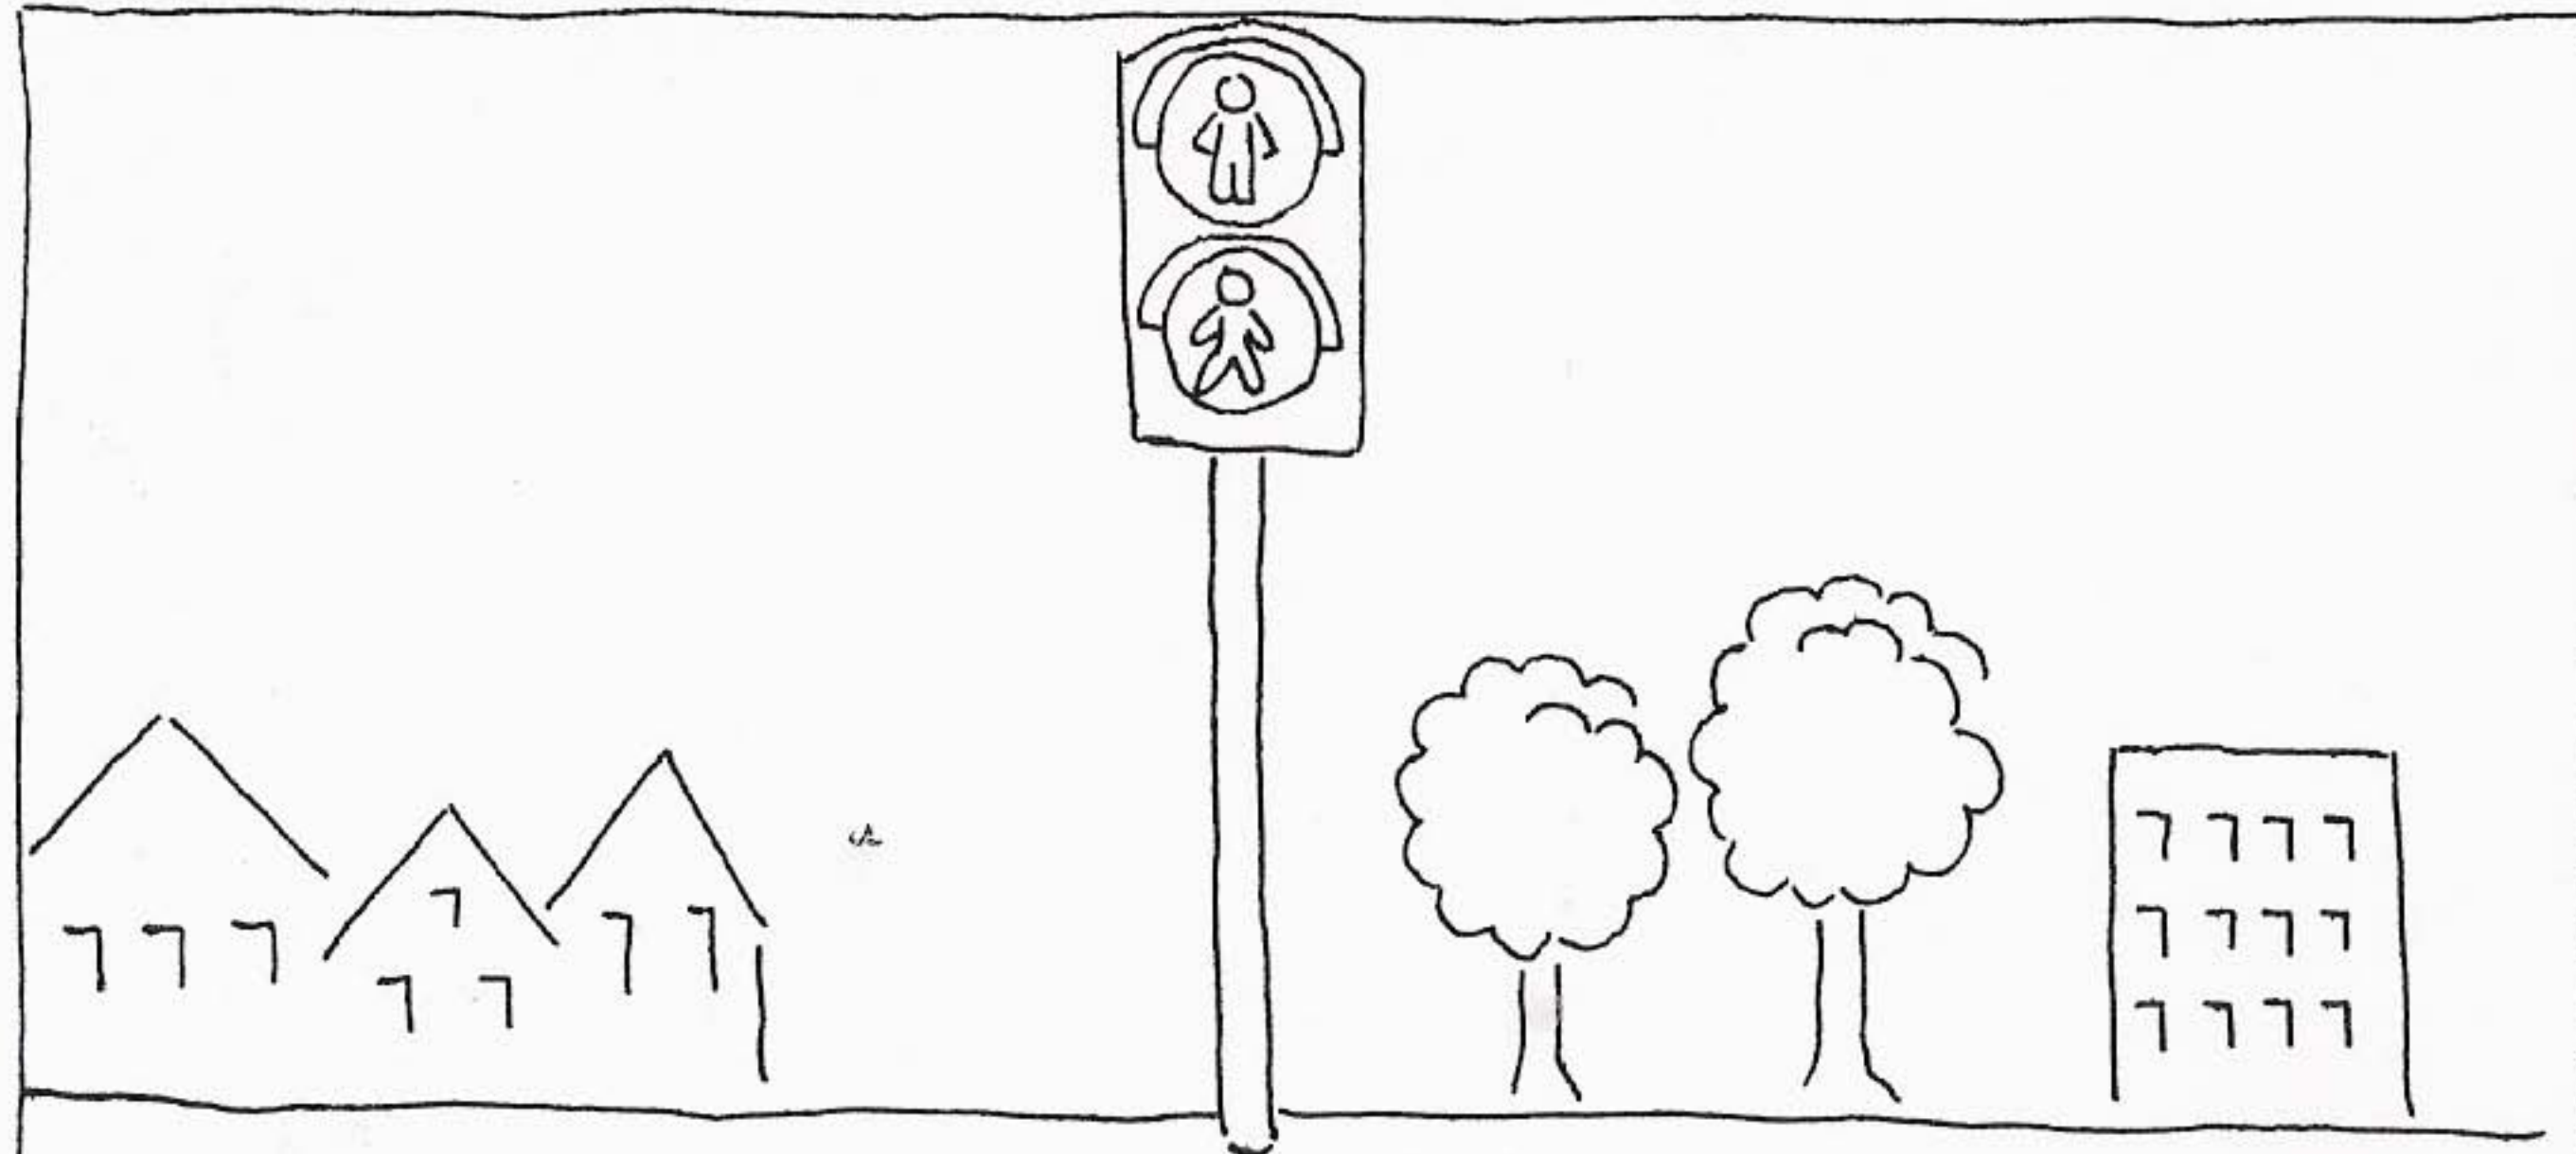

Počet hracích karet – 64

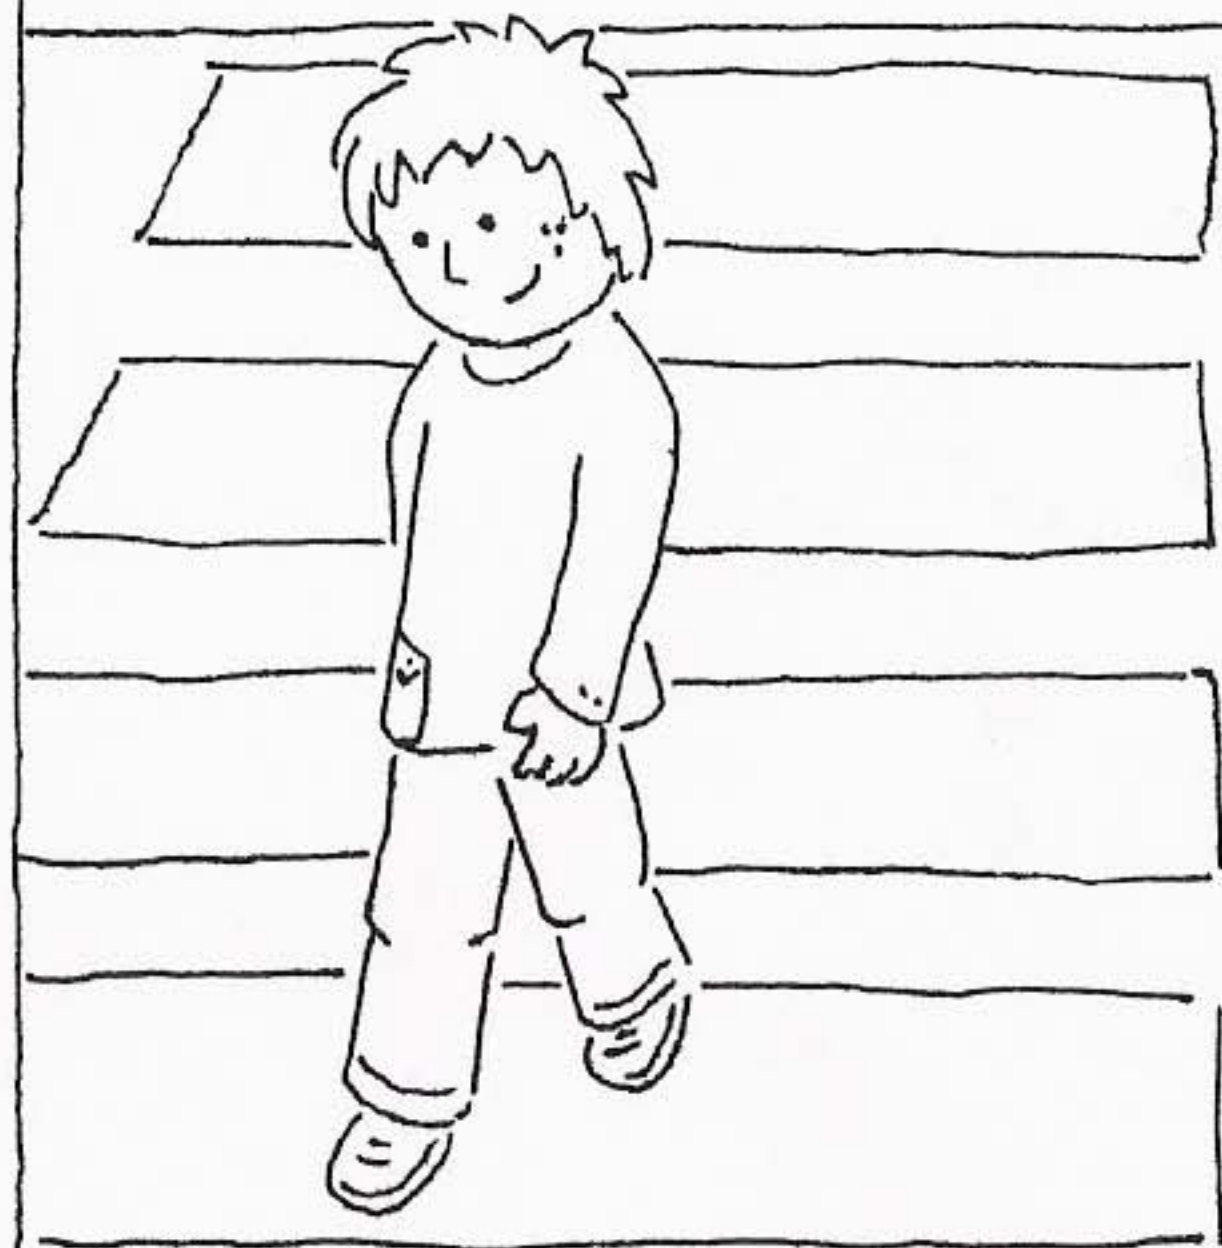

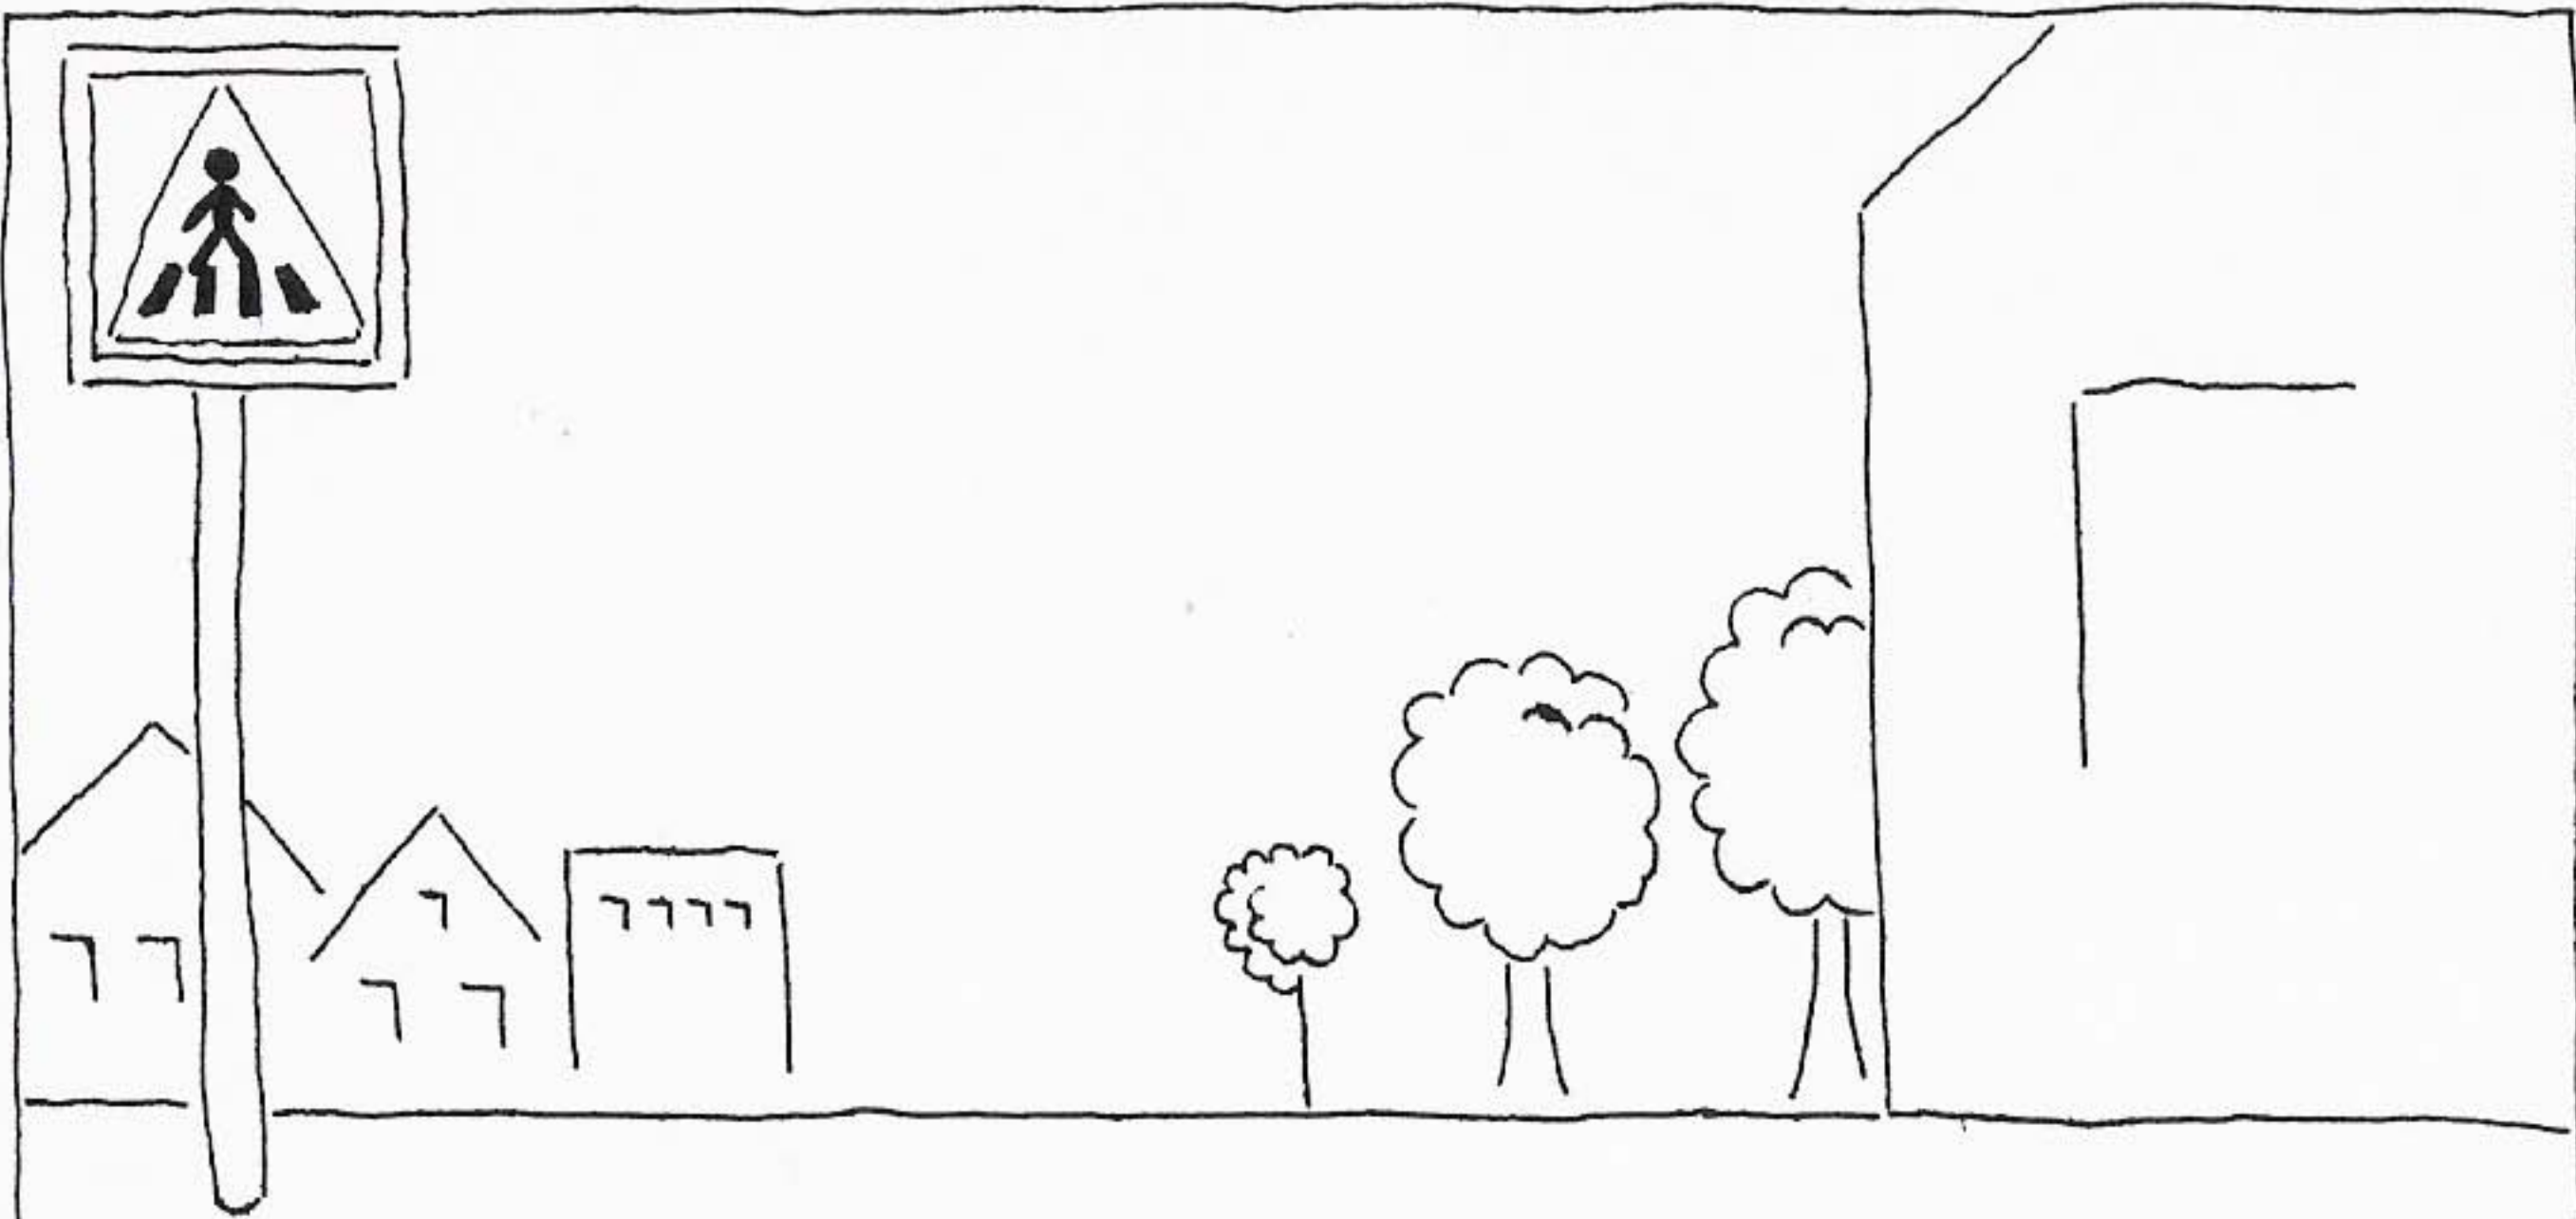

Hra je určena pro 2 až 6 hráčů.

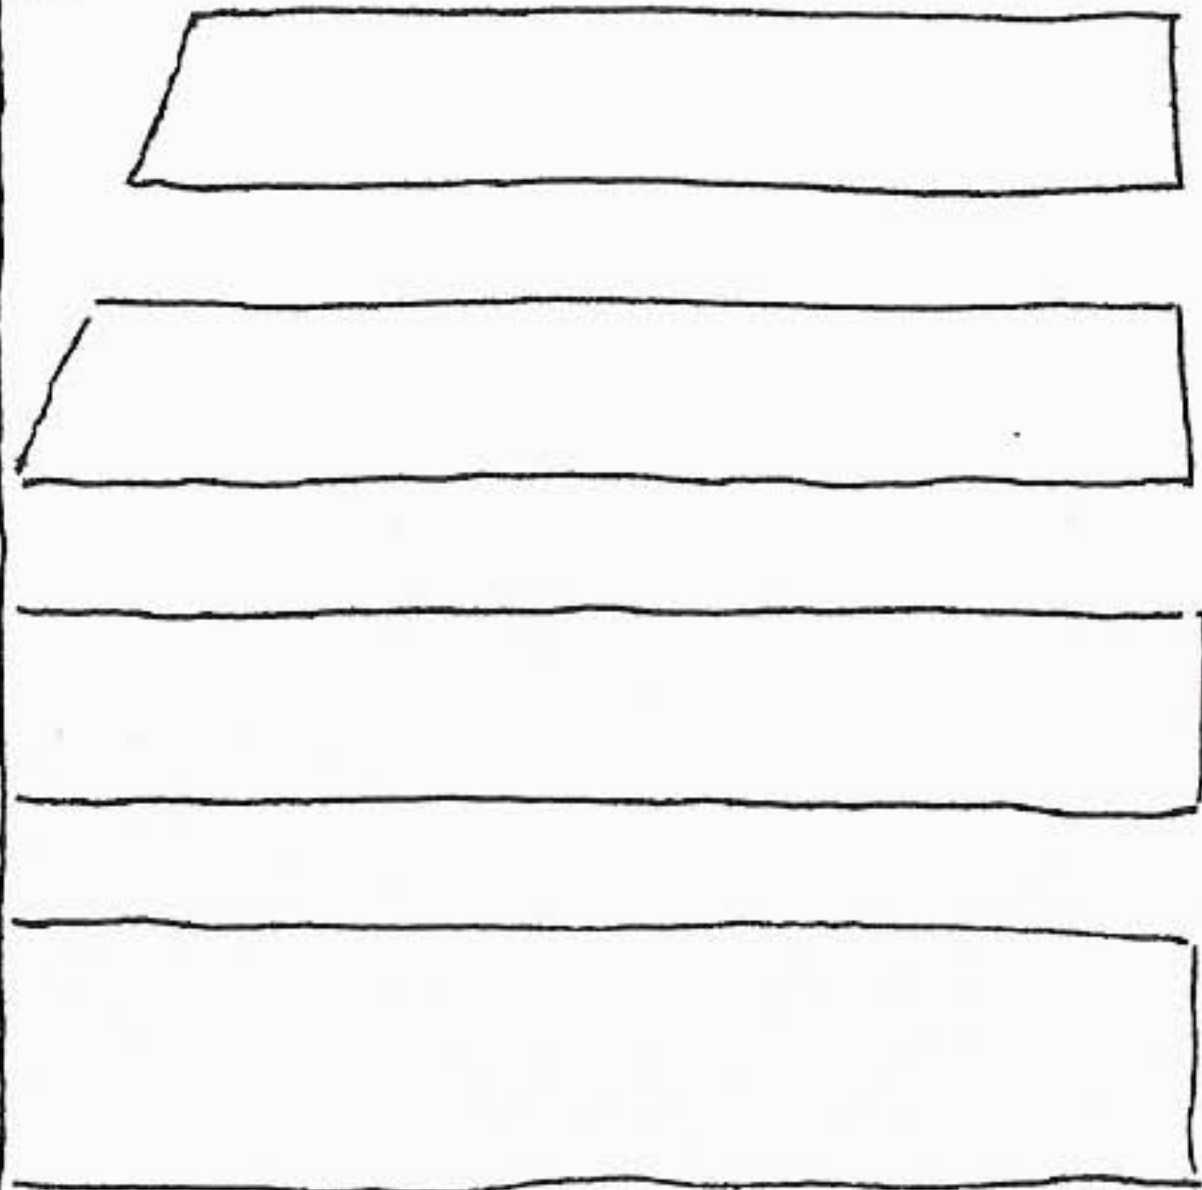

Věk hráčů je doporučen od 3 let.

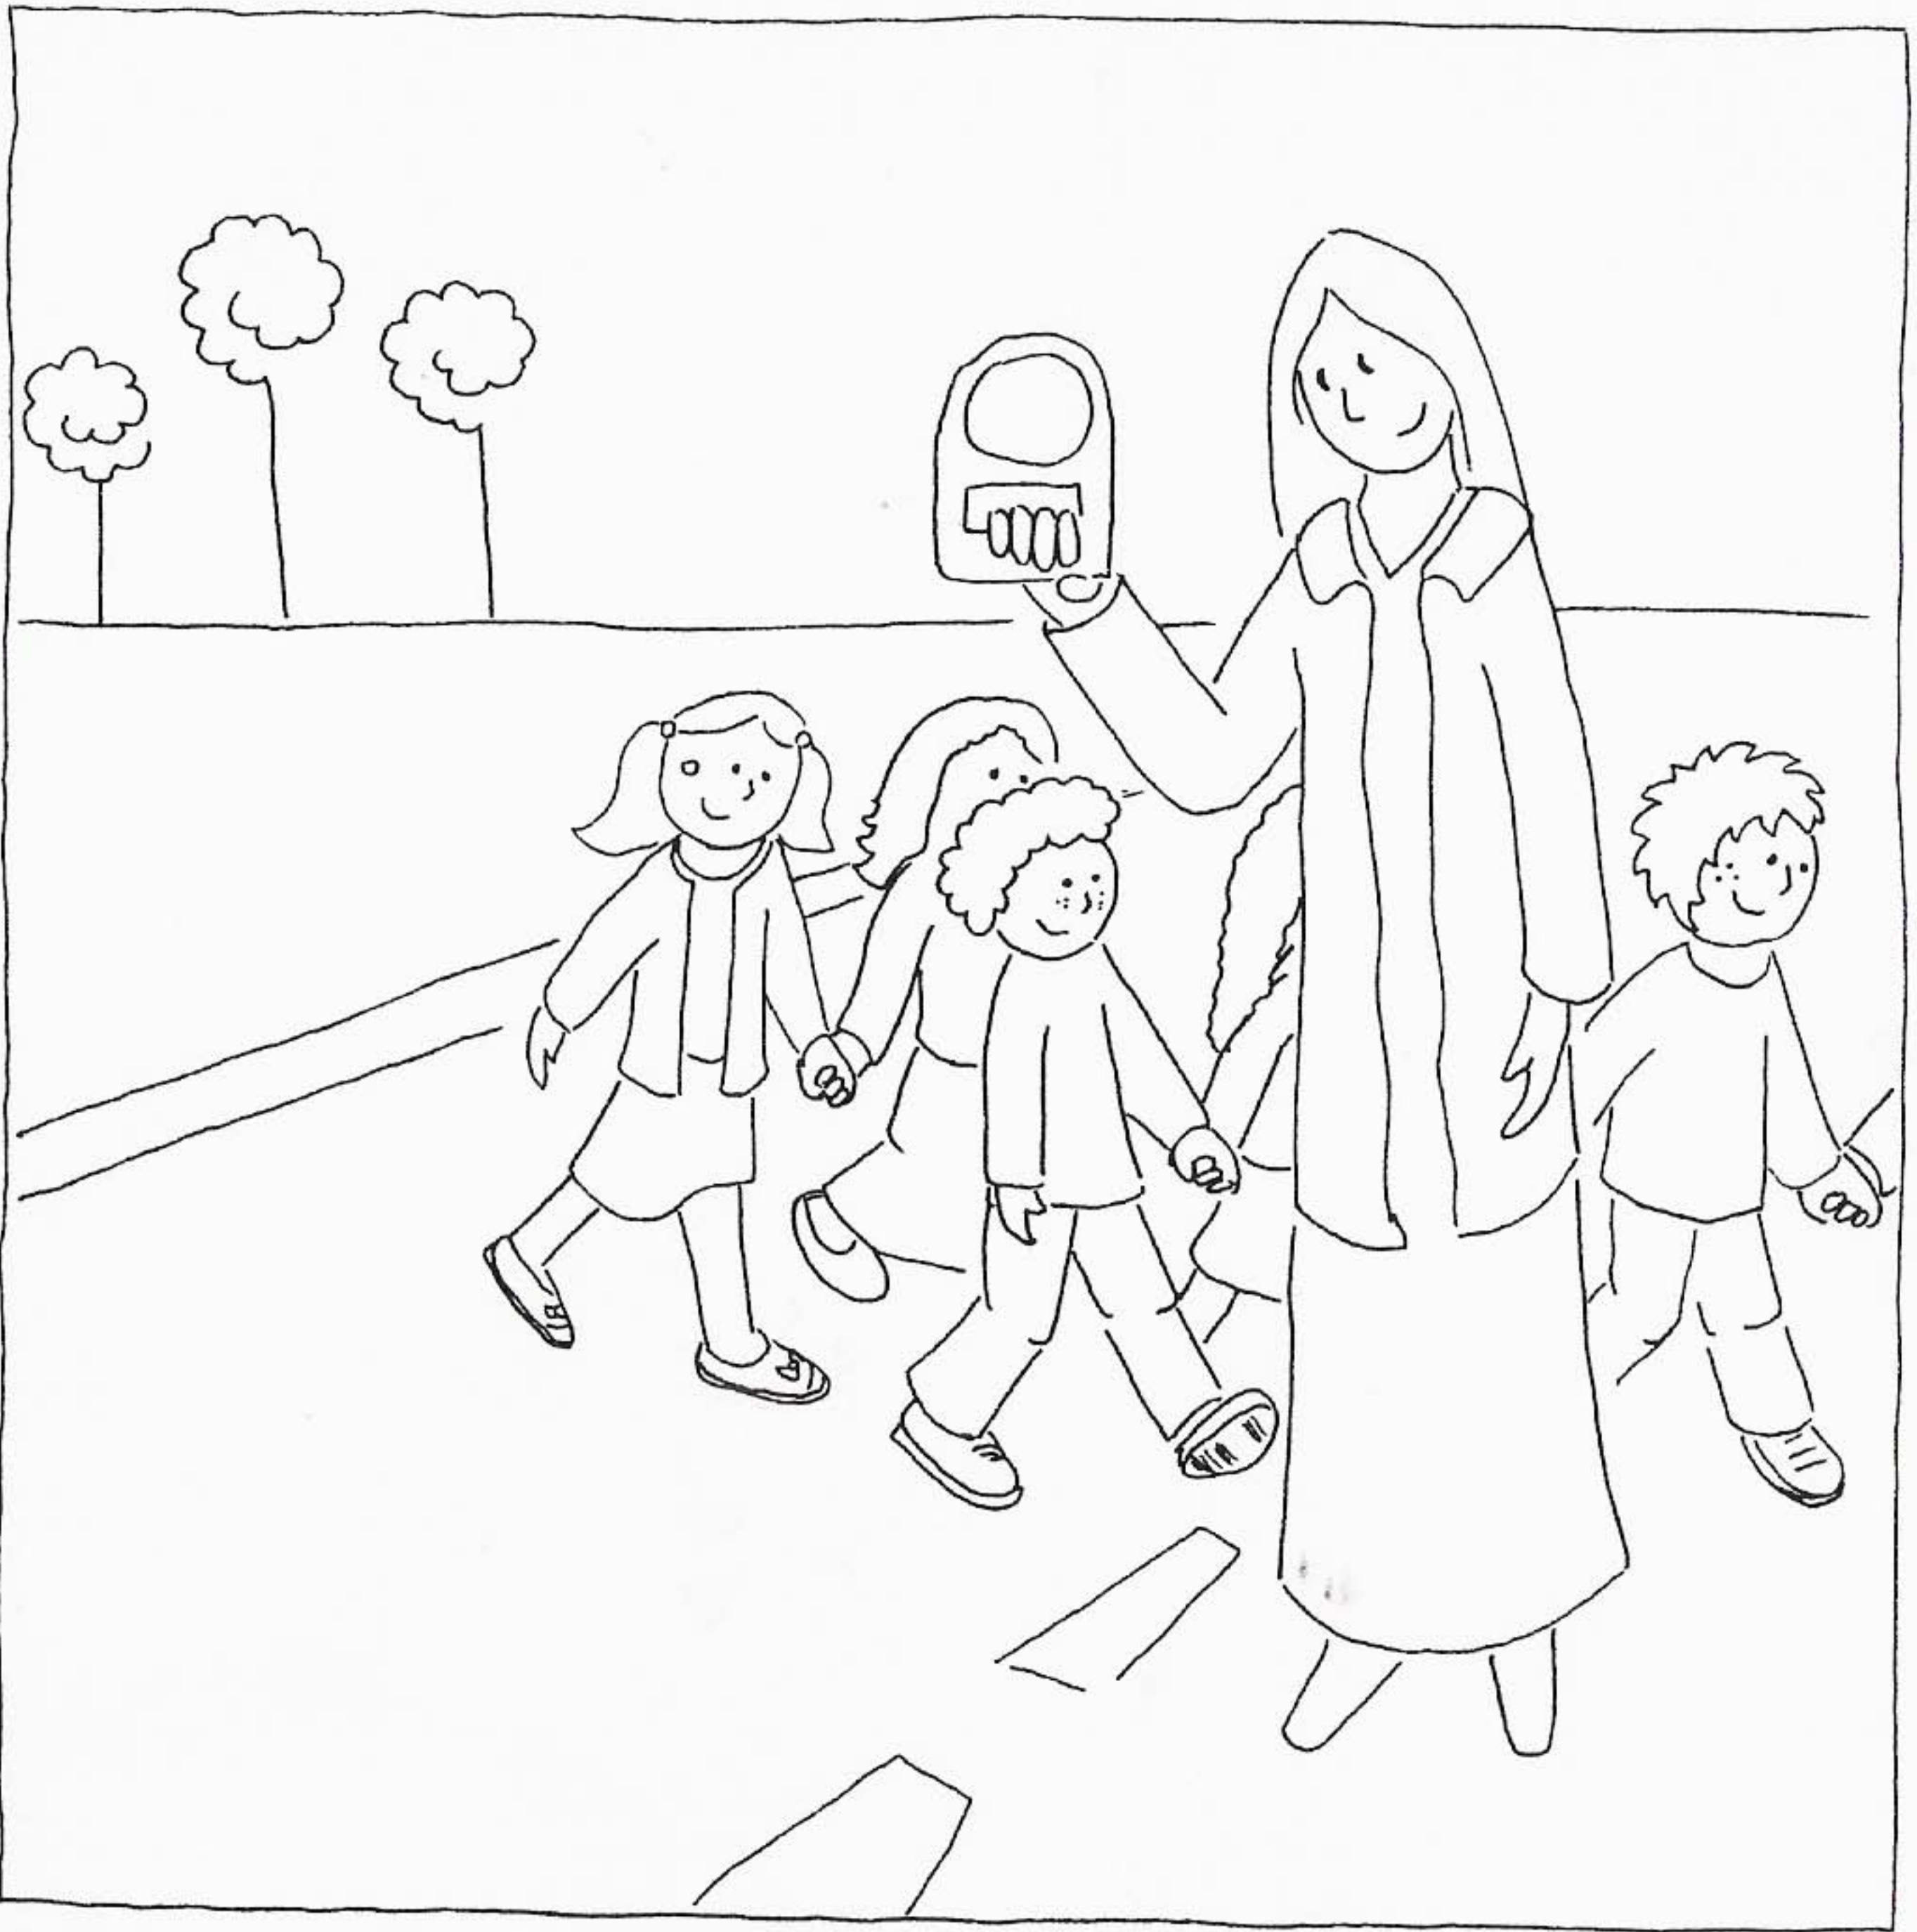

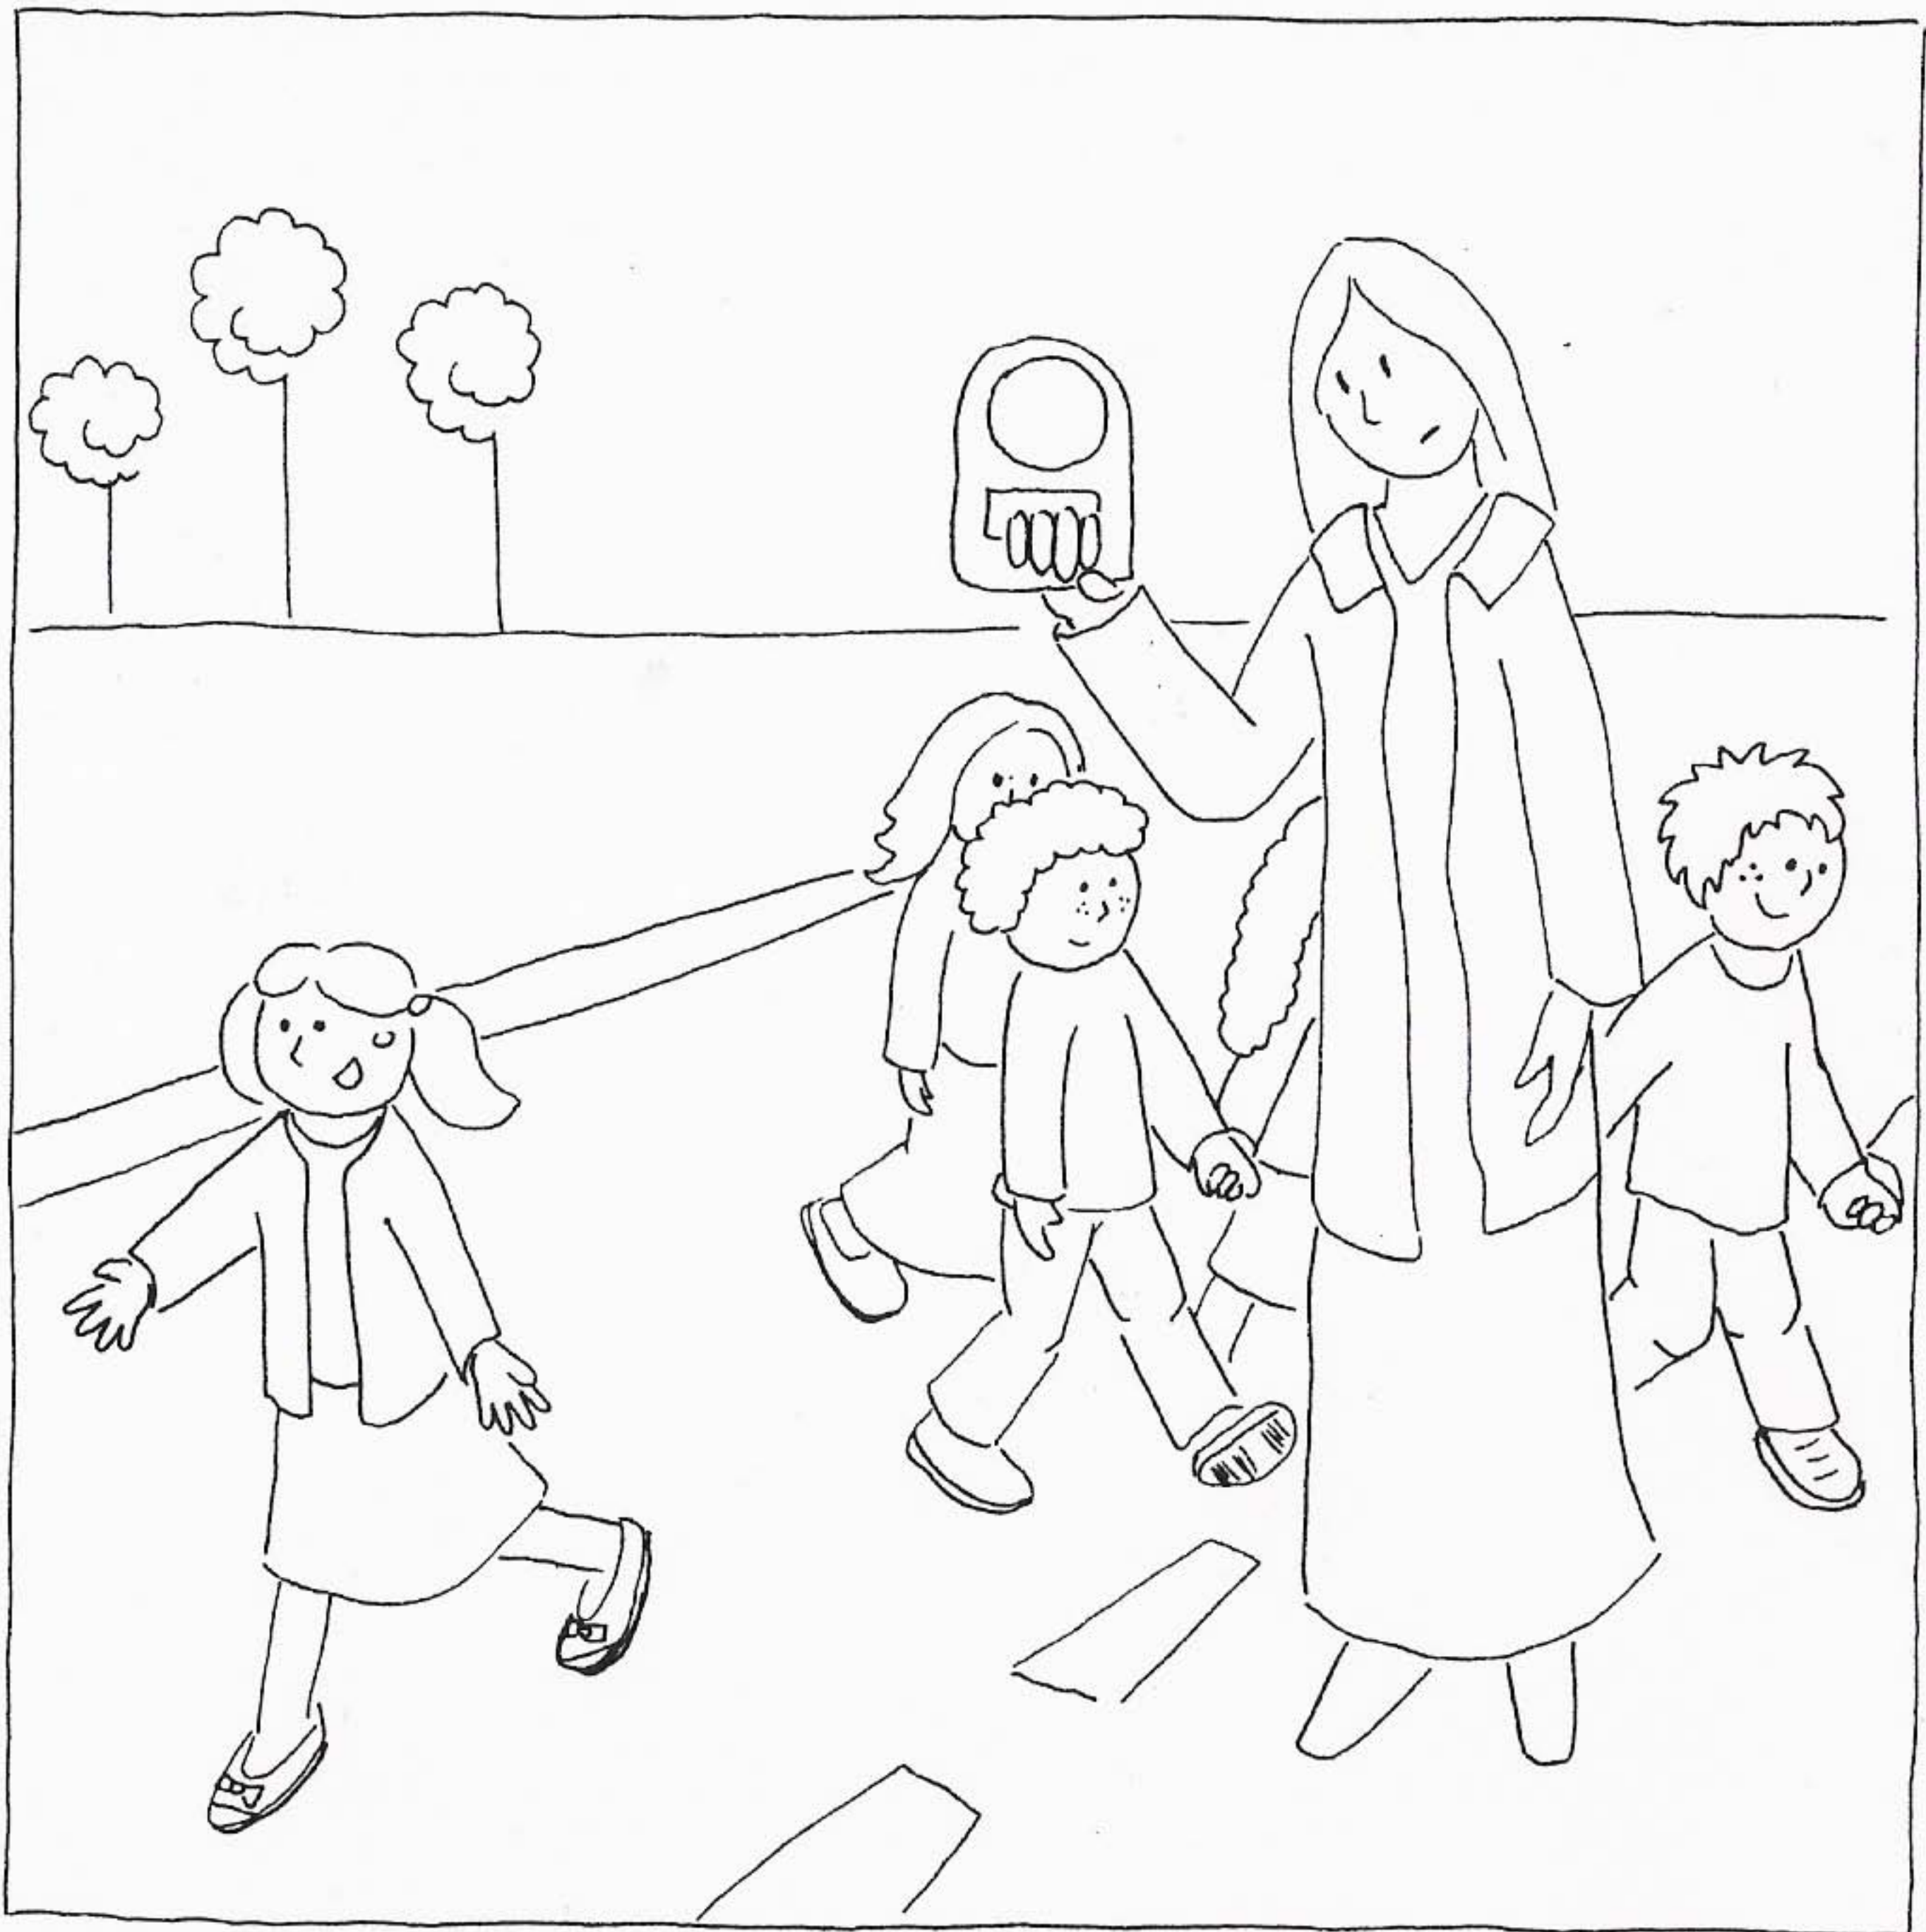

Four horizontal rectangular boxes stacked vertically, intended for writing or drawing.
